Re: *Misuse of Internet Protocol (IP) Captioned Telephone Service*, CG Docket No. 13-24;
*Telecommunications Relay Service and Speech-to-Speech Services for Individuals with Hearing
and Speech Disabilities*, CG Docket No. 03-123

Dear Ms. Dortch:

Attached please find a Second Ex Parte Comments submission for filing by the iTRS Advisory Council (Council) clarifying its previous Ex Parte Comments which were filed on December 4, 2018 in the above referenced matter.

Rolka Loube makes this filing at the request of and on behalf of the Council. The comments contained in the filing reflect the motion passed by the Council, with the exception of one Contributor representative, and one Provider abstaining and are not being made by Rolka Loube. However, given the Council's role in advising the Fund Administrator in carrying out its responsibilities in accordance with TRS rules and requirements, on cost recovery matters, we appreciate the Commission's consideration of this supplement to the Council's Ex Parte comments, filed in response to the above referenced Commission Proceeding.

Thank you for your kind attention to this filing.

Respectfully Submitted,

Mary Beth O'Hara Osborne, Esq.
